Sustainability
• Post-consumer recycled content
• Refined without any VOC or leeching glues
• Certificates & Standards: 100% Reclaimed Teak

LEED
• MR 4.1 & 4.2 – (Recycled Content)
• MR 7 – Certified Wood Post-Consumer Recycled Content Percentage: 100%

Thickness is understood as the highest point of the tile.

Due to the nature of our tile, a certain amount of variation in color, shading, surface and texture are to be expected.
